Global sourcing and supply coordination from China

PRELIMINARY SOURCING REFERENCE

OneWorld Sourcing Brief

A concise brief for starting a documented sourcing conversation with the OneWorld China team.

Information to confirm before order placement

- Product specifications, materials, dimensions and required standards.
- Supplier credentials, production capacity, sample approval and lead time.
- Quality control points, packaging requirements and destination-market documentation.
- Commercial terms, shipping method and final quotation after supplier confirmation.

This document supports an initial sourcing discussion. Final technical, commercial and compliance details must be confirmed with the selected supplier before purchase.
